

**LISTING OF THE CLAIMS**

Claims 1-18 are canceled.

19. (Currently Amended) A method of performing an action on wireless calls, comprising:

receiving a wireless call;

determining whether the received wireless call falls within a class of wireless calls, the class of wireless calls being one of location incentive offers, wireless based games, and wireless location based advertisements; and

performing a predetermined action on the received wireless call when the determining step determines that the received wireless call falls within the class of wireless calls.

20. (Original) The method of claim 19, further comprising:  
establishing the class of wireless calls.

21. (Previously Presented) The method of claim 19, wherein the action is screening the received wireless call.

Claims 22-26 are canceled.
